

Over the Counter Institutional Trades (OTCI)

iSunOne Committee

This brochure is the intellectual property of iSunOne and should only be distributed to verified institutional partners and qualified investors upon their request.

Large Volume: up to 100 mil USD per transaction

Global Availability

Limitless Liquidity

iSunOne is a digital account built on top of the global SWIFT banking system. Whether it is 1 billion USD or 100 USDT, iSunOne OTCI Desk provides you with utmost safety, privacy, and instant buy and sell ability.

OTCI Characteristics

- **Safe and private**

Information as well as asset flow is end to end encrypted.

- **Limitless liquidity**

Our institutional consortium consists of 50+ participating members with a virtually unlimited liquidity for the instant swap from money to digital assets.

- **Instant execution**

Fiat is settled as USD automatically.

A laddered, percentage based fee will be assessed based on volume.

Limitless Liquidity enables Instant Swap

We will convert money to digital assets through Instant Swap

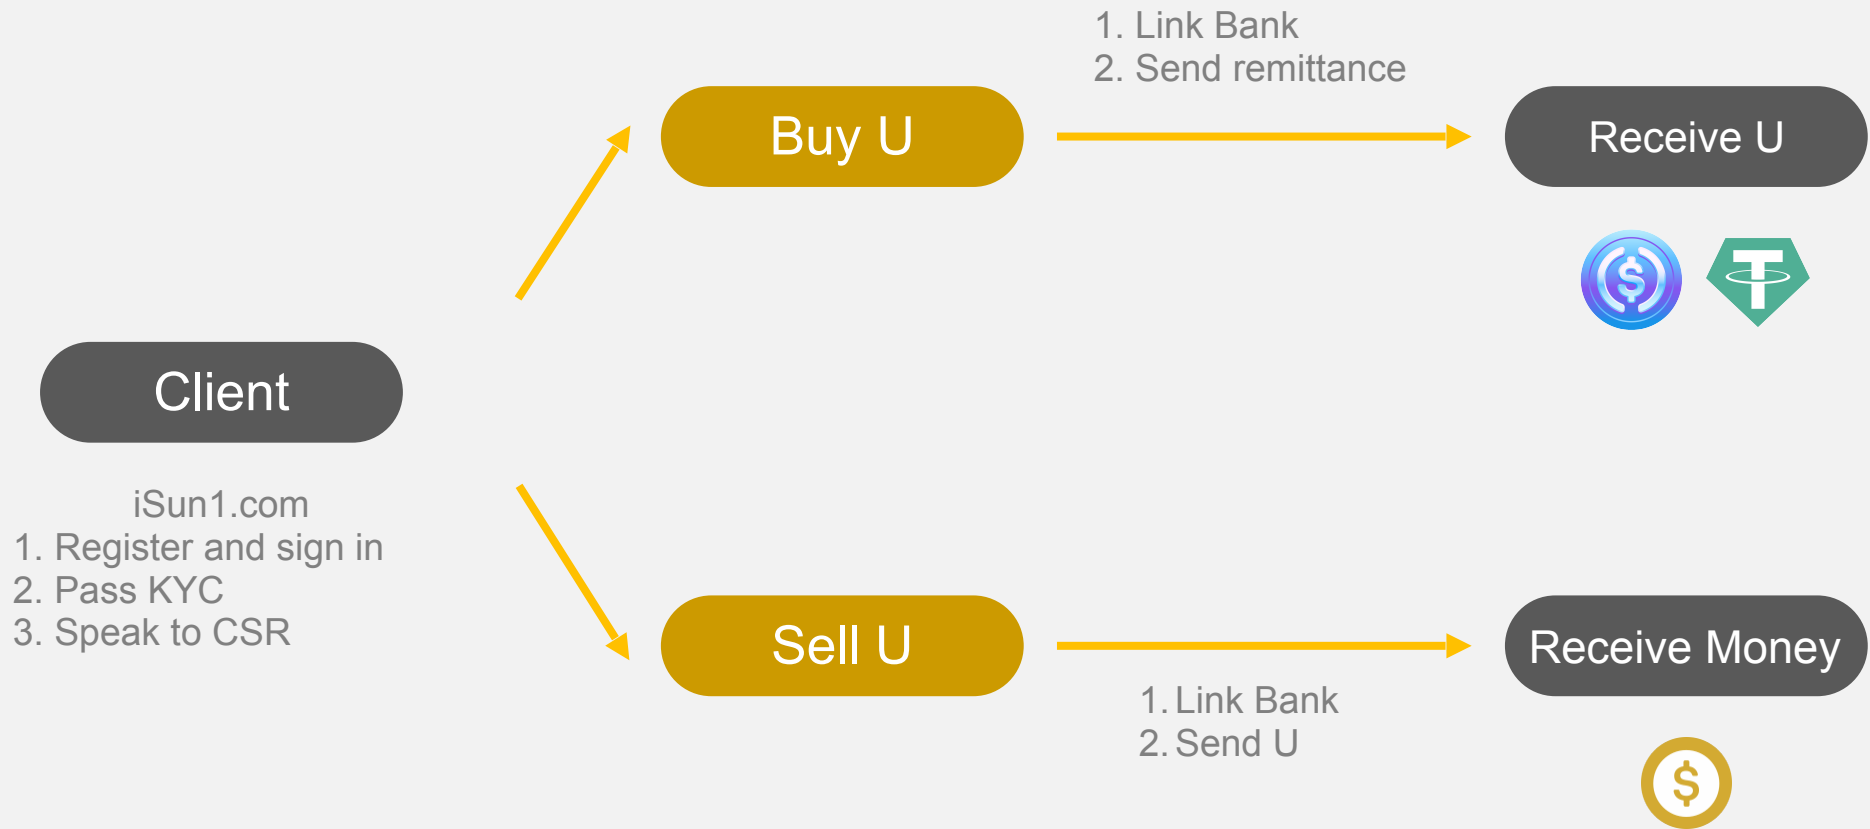

Zero Slippage
